A high quality, multi-functional oil, W44T Fluid Spray is used for the lubrication, preservation and protection of parts.

Commonly used in critical health and safety applications and often required of the food, beverage, cosmetic and pharmaceutical industries.

Manufactured in Germany, this penetrating oil is NSF H1 approved.

Available in 400ml aerosol cans, this versatile lubricant is used for a range of applications including...

- Loosen seized screws, bolts, fittings, locks and valves
- Penetrate and dissolve rust
- Displace humidity from electrical contacts
- Prevent leakage currents
- Facilitate the startup of wet motors

Nonfood Compounds  
Program Listed H1  
Registration 152619
