**Adhesive  
Lubricant**

**Cleaning &  
Degreasing**

**Anti-Seize**

**Lubricating &  
Multi-Functional**

Weicon Bio-Cut is a high quality cutting oil used for lubricating high speed turning, moving and cutting parts.

When applied Bio-cut protects machines and fixtures against corrosion for a long time enabling high speed cutting, longer tool lives and increased performance.

This environmentally friendly spray is also completely biodegradable and therefore an excellent choice for workshops looking to minimise their environmental footprint or comply with environmental standards.
