## Weicon Brake Cleaner

Weicon Brake Cleaner is a universal cleaner designed especially for use in automotive applications. This high quality cleaner quickly and effectively degreases and cleans metals, glass, ceramics and many plastics.

Clear in colour with a pleasant citrus aroma, Weicon Brake Cleaner evaporates without leaving any residue which makes for quick and easy application, and no clean-up.

Available in both 500ml Aerosols and 5L, 10L and 30L bulk liquid containers, Weicon brake cleaner has a shelf life of 24 months. The liquid version is compatible with both Weicon WSD 400 and WPS 1500 dispensing equipment.

For more information on this cost effective, high quality cleaner, or any other product in our extensive range, please do not hesitate to contact your local AG branch.

Typical Applications include the cleaning of dirt and residue containing oil and grease on:

- Brakes (drum & disk brakes, brake linings, brake shoes, cylinders, springs and bushings)
- Clutches (clutch linings and clutch parts)
- Engine Parts (carburettors, petrol and oil pumps, gears)
- & Many, many more...

### Other Cleaners in the Weicon Range

Complimenting our Brake Cleaner, AG is proud to offer a number of other Weicon Cleaners. This range includes:

- Surface Cleaner
- Burner Cleaner
- Mould Cleaner
- Cleaner S
- Plastic Cleaner
- Parts & Assembly Cleaner
- Electro Contact Cleaner
- Multi-Foam
- Sealant & Adhesive Remover
- & Many more...
