

Weicon Easy-Mix Metal Epoxy Adhesive

Dispensing Equipment & Accessories

Plastic Metal

Epoxy Adhesives

Cleaners & Degreasers

A versatile epoxy adhesive made from steel filled epoxy resin supplied in a two-part syringe cartridge.

This viscous, self-levelling adhesive is perfect for repairs to large tolerance gaps and is fast curing with good temperature resistance.

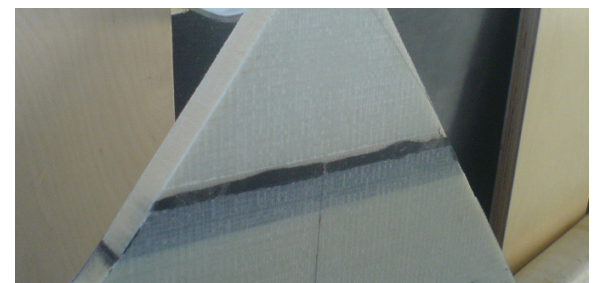

Once cured, this black adhesive exhibits excellent adhesion to a variety of material types and can be machined.

Weicon Easy-Mix Metal withstands temperatures between -50°C and 145°C and cures with a shore hardness of 70 D.

Made in Germany, our Easy-Mix Metal Epoxy exhibits excellent bond strength with various types of metal as well as other surface materials such as stone, glass, woods and many types of plastic (except low surface energy types).

Key Specifications	
Colour	Black
Density	1.8 g/cm ³
Viscosity	120,000 mPas
Pot Life	4-5 Minutes
35% Cure	40 Minutes
Full Cure	24 Hours
Shore Hardness	70 Shore D
Maximum Gap Coverage	4mm
Temperature Resistance	-50°C to +145°C
Avg. Tensile Shear Strength	20 N/mm ² on Sand Blasted Steel
Cartridge Size	50ml

Suggested Accessories	
Dispenser	Extra Nozzles
Weicon D50	Helix
