

## Weicon Flex 310 M Classic

**MS Polymer  
Adhesives &  
Sealants**

**Cleaners and  
Surface  
Preparation**

**Primers &  
Bonding Aids**

**Dispensing  
Equipment &  
Tools**

This high quality, one part adhesive exhibits excellent compatibility with a wide range of materials and creates a strong bond.

Based on MS Polymers and completely free of silicone, our Flex 310 Classic exhibits excellent UV resistance, aging resistance and compatability with a wide range of chemicals.

This versatile adhesive sealant is used for many different applications around the world. Some of the most common include...

- Metalworking
- Tank & apparatus construction
- General bonding & sealing
- Car body, vehicle & rail work
- HVAC work
- Tile installation
- Electrical industry
- Yacht & ship building
- Wherever silicones are not suitable or allowed.
