

Weicon Wire Stripper No. 7 Solar

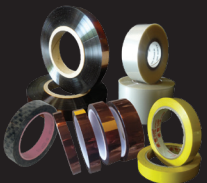

Cable & Wire Stripping Tools

Electrical Accessories

Cable & Conductors

Electrical Insulation Tapes

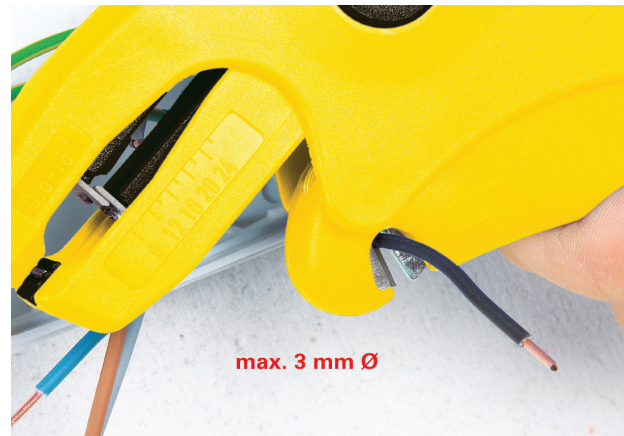

Designed specifically for solar cables with a heavy insulation sheath, our solar wire stripper is fast, simple and incredibly accurate.

It can be easily programmed to strip between 8mm and 24mm from the cable end and has 5 steps in between these two extremes for precision stripping.

Our Solar Cable Stripper No. 7 is a self-adjusting stripping tool. It is made using specially selected materials with the main blades constructed from hardened steel. The whole tool is made in Germany.

| Key Specifications | |
