

Weicon Wood Repair Stick

Our Wood grade of epoxy repair putty is specifically designed for making permanent and elastic, non-shrink repairs to wooden parts.

Weicon Repair Stick Wood exhibits excellent adhesion to various wood types (e.g. oak, beech, spruce and balsa) as well as derived timber products (e.g. MDF, plywood). It is also used on a variety of plastics, metals, glass, ceramics and stone.

With Weicon Repair Stick Wood, it's easy to quickly patch cracks, bore holes, seal gaps and fix broken off parts on:

- Window and door frames
- Veneers
- Timber boards and planks
- Wooden models and toys
- And a wide range of other applications in the DIY and household sectors
