

## TECHNICAL SPRAYS

# Weicon Citrus Cleaner Spray

Weicon Citrus Cleaner Spray is a powerful and effective cleaning spray suitable for use on most sensitive surfaces. Unlike many solvent based cleaners, Citrus Cleaner Spray is based on specialised pH neutral active ingredients combined with non-flammable citrus peel extracts and alcohol. The result is a powerful cleaner that effectively penetrates and removes dirt and grime.

Citrus Cleaner Spray is non-corrosive and can be used for cleaning a wide range of materials such as metals, plastics, glass, ceramics as well as many painted and coated surfaces (compatibility should first be checked if there are concerns). It quickly and effectively removes oils, greases, lubricants, resins, tar and rubber residues and also cleans pen or pencil markings, adhesive residues, fresh silicone sealant and polyurethane foams.

### Properties

Colour	Colourless
Odour	Citrus
Temperature Resistance	---
Minimum Shelf Life	24 Months

### Preparation of the Surface

Best results will be achieved if Weicon Citrus Cleaner Spray is brought to room temperature before use.

### Processing

Spray a sufficient quantity of Citrus Cleaner onto the part/area being cleaned and allow to react. If necessary, wipe off with a clean cloth. Repeat process as required.

### Storage

Cans of Weicon Citrus Cleaner Spray should be stored away from direct sunlight and not exposed to temperatures exceeding 50°C. Minimum shelf life is 24 months.

### Availability

Weicon Citrus Cleaner Spray is available in 400ml aerosol cans.
