

TECHNICAL SPRAYS

Weicon Mould Cleaner Spray

Weicon Mould Cleaner Spray is a high quality cleaner that is based on a special formulation of highly active organic solvents. This fast acting and cost effective spray efficiently removes waxes, silicones, oils and non-cured polyurethane residues and other impurities from plastic, steel or aluminium moulds or tools.

Available in an easy to use spray form, Mould Cleaner is used in many industries for cleaning tools and work surfaces after bonding work.

Properties

Colour	Colourless
Odour	Citrus
Temperature Resistance	---
Minimum Shelf Life	24 Months

Preparation of the Surface

No special surface pre-treatment is required.

Processing

Spray a sufficient quantity of Mould Cleaner onto the part/surface being cleaned and allow time for it to react. If necessary, wipe off with a clean, dry cloth. Repeat process as required. Burner Cleaner should not be used on highly sensitive plastic or varnished surfaces.

Storage

Cans of Weicon Mould Cleaner Spray should be stored away from direct sunlight and not exposed to temperatures exceeding 50°C. Minimum shelf life is 24 months.

Availability

Weicon Mould Cleaner Spray is available in 500ml aerosol cans.
