

TECHNICAL SPRAYS

Weicon Stainless Steel Care Spray

Weicon Stainless Steel Care Spray has been especially designed for the cleaning, care and protection of matt and polished stainless steel surfaces located indoors or outdoors. This spray removes fingerprints and greasy films while creating an antistatic and water repellent protective layer on the surface that prevents new fingerprint marks and dirt from sticking to the surface.

Properties

Colour	Colourless
Odour	Almost Odourless
Temperature Resistance	-17°C to +120°C
Minimum Shelf Life	24 Months

Preparation of the Surface

Heavily soiled surfaces (such as those in kitchen areas) should first be cleaned with a suitable dedicated cleaning product.

Processing

Thoroughly shake can before use. Spray Stainless Steel Care Spray onto the surface from a distance of about 25cm and spread it using a dry, soft cloth.

Storage

Cans of Stainless Steel Care Spray should be stored away from direct sunlight and not exposed to temperatures exceeding 50°C. Minimum shelf life is 24 months.

Availability

Weicon Stainless Steel Care Spray is available in 400ml aerosol cans.
